

**International Kedjiwaan Meeting  
Vadul Lui Voda, Moldova  
14-17 October 2010**

**Dear brothers and sisters,**

In November 1995 the first Subud people in Moldova by Grace of God were opened by Michael and Katharina Lloyd, our Subud father and mother. We would like to celebrate this 15 years anniversary by inviting you to take part of an International Kedjiwaan Meeting. We are happy to welcome you in our small country in the East Europe with rich history, picturesque landscapes and mild climate.

The Meeting will take place in Vadul lui Voda resort park 23 km from Chisinau, the capital of Moldova. It is situated in a picturesque place where Nistru river makes a curve and has quite a slow flow, that makes its beach very popular in the warm time of the year.

**Address:**

Pescarilor 36, Nistru Park,  
Vadul Lui Voda,  
Mun.Chisinau, Republic of Moldova

**Transport**

You may fly directly to the Chisinau International Airport [www.airport.md](http://www.airport.md). On the arrival and departure days (13 and 18 October respectively) shuttles from and to the airport will be organized, it will cost 5 Euro for both ways. For the independent travelers it is possible to take a one way taxi for 13 Euro or rent a car at the airport <http://www.airport.md/inchirierea-auto-en> or [www.moldovaairportcarrental.com](http://www.moldovaairportcarrental.com). Public transport is available but challenging, for further information please contact us.

In case you are searching for cheap flights, the closest airports you may find are in Iasi (Romania), Odessa (Ukraine), Kiev (Ukraine), Bucuresti (Romania). If you wish to be picked up from these airports, please contact us in advance.

There is a train station in Chisinau, receiving trains from Russia, Ukraine, Romania and there are trailers routing from some other countries. We have a lot of bus routes from all around Europe. So if you are searching for the cheaper travel options, you should check these too.

**Accommodation**

The Odiseu hotel can normally host up to 160 people at a time, but if necessary, it can offer accommodation for as much as 200 people. The hotel offers standard single rooms, double rooms with one double or two single beds, and rooms with 3 single beds. There are 8 family suits: 4 of them can host 4-5 people and 4 of them - 6 people (double bed, couch and expandable armchairs).

If you are looking for cheaper accommodation, please do not hesitate to contact us.

There are two saunas for 10 people at a time, which cost **250 lei per hour (16,5 eur)** and an open swimming pool.

There is also a free wi-fi in the resort, so you will be able to stay connected.

**Please be aware** that 10-17 October are festive days in Moldova and touristic resorts are normally highly demanded. Therefore, please send your registration forms as soon as possible **before 14 September 2010** so that we can keep the necessary number of rooms reserved. In case if you do it later, you risk to have less comfortable conditions of accommodation for higher price.

### **Meals**

Meals will be provided 3 times a day. Tea, coffee and snacks will be available during the day. If you have a special diet, please make sure that you mention it in the registration form (ex. lactovegetarian, vegan ect.).

You can book your meals as full pack or separately as it suits you. Please tick the respective boxes in the registration form.

As the hotel is situated in a park area, closest supermarkets or open markets are located quite far away and it is not easy to reach them by feet. However there are some restaurants in the park. We might be able to organise occasional foodstuff shopping in Chisinau for you.

### **Sightseeing**

**14 October** is the day of Chisinau city. On this day an excursion around the city and a city walk are planned to give you some time to get a flavor of Moldovan culture by walking around the center of the city. The cost of the city tour is included into the registration fee, lunch and dinner will be served **in the city**, not at the hotel.

**On 15 October** we suggest you to visit our famous wine cellars in Cricova and a cave monastery in Orheiul Vechi just for **30 Euro**. The bus departs from the hotel after lunch at 14.00 and returns by dinner. A more detailed overview of the excursion is presented as a separate attachment.

For your information, 10 October is the National Wine Day, which is widely celebrated in Chisinau. You might consider coming earlier to Moldova and doing some more sightseeing. Should you be interested please contact us in due time and we will help you finding accommodation and arranging your traveling in Moldova.

### **Visiting a disadvantaged community**

We would also like to offer you an opportunity to learn about life in Budesti, one of the disadvantaged communities in Moldova, where Amanda plans to organize a SD project next year. The agenda of this visit is not yet set, its content will depend on the number of people willing to join. Please be aware that the trip might require a modest contribution for transportation. Should you be interested in visiting Budesti, please tick the respective box in the form.

### **Meeting Agenda**

We feel it is very important to discuss the topics that really matter to you, therefore we kindly ask you to come up with your topics for the meeting, and share them either via e-mail in advance, or at the general circle.

### **Youth Support**

Thanks to some personal donations we are able to support younger Subud members who are willing to participate in the Meeting. Should you need financial support for your travel and/or accommodation/meals please feel free to contact us as soon as you can. Make sure that you only apply for this support if you are really in need, our resources are very limited.
