2009 World Subud Council Meeting ZONE REPRESENTATIVE REPORT	
Name and Zone	Zone3, Reinbrand Visman
ZONAL DEVELOPMENT How well has your Zone been functioning as a Zone?	
ACTIVITIES What activities have been especially important in your Zone this last year?	the main thing i can think of is the gathering 'el camino' just before this council meeting. but apart from that it seems that countries get stronger, apart from a few small ones and there is the continuing shift of emphasis on congresses and meetings towards kejiwaan activities versus organisation and members endeavours
COUNTRIES What major developments have occurred in your countries within the last year?	
ENTERPRISE Are there major developments about enterprise in your Zone?	no
WORLD CONGRESS Do you have specific ideas to share about the future direction & priorities of the WSA?	we'll have a discussion about this at our zone3 meeting in Poio, and we'll meet there representatives of the WSC on the thursday
WSC MEETING What would you especially like to address at the WSC meeting?	long term goals of the WSA and actions to achieve them, based on a realistic view of the past, as a preparation for the world congress, more specific: <ul style="list-style-type: none"> - across border (or 'international') activities as centers - encouragement and support of members 'endeavours', as enterprises - energising the Subud structure, as doing jobs in Subud , can we continue being an almost 100% volunteer organisation - the rythm of coming to latihan regularly, f.i. twice a week, supporting the helpers
